VNA-Community Services, Inc. (VNA) is a local non-profit agency with a focused mission of providing community-based programs that address family health and social service needs and that support individual and family capacity as well as self-sufficiency goals.

RE/MAX Main Line support is directed to the Caring for Kids Campaign of VNA. Because healthier children strengthen our community, business and community leaders are working together to ensure that at-risk children in our area receive the primary healthcare and supportive services they need for a healthier future.

RE/MAX Main Line is a real estate company specializing in listing and selling properties throughout the entire Delaware Valley through three convenient offices located in Paoli, West Chester, and Kimberton. We provide a full spectrum of real estate services, including residential, commercial, new construction and property management. RE/MAX Main Line Agents are in business for themselves, but not by themselves, and their sales and marketing efforts are fully supported by Broker/Owner, Thomas Toole, Jr., who has been in the business 40 years, and the members of his management team who each have more than 25 years of industry service.

RE/MAX Main Line places an emphasis on community involvement, and this is accomplished through the RE/MAX Main Line Charitable Foundation. Most of the funding for the Foundation comes from more than half of the RE/MAX Main Line real estate agents contributing a portion of each of their sales commissions.
